NO-COST TRAINING
OPPORTUNITY

Where: Santa Cruz County Sheriff Department Community Room
5200 Soquel Avenue, Santa Cruz, CA 95062

When: Monday, August 5, 2019

Off Sale Outlet Training

August 5th ~ 9am – 12:30pm

During this **Off Sale Outlet** training, participants will:

- Identify Effective RBS Practices
- Learn About Alcohol-Related Laws
- Discuss Community Issues
- Identify Positive Results from RBS

Register for the **Off Sale Outlet Training** here:

<https://tinyurl.com/Off-SaleRBS>

Registration is required, as space is limited.

On Sale Outlet Training

August 5th ~ 1:00pm – 4:30pm

This **On Sale Outlet** training identifies the benefits of RBS and outlines the current liquor laws and the implications these laws have on business owners. The training focuses on the professional servers' standards established by the State of California Department of Alcoholic Beverage Control. Learn how to identify and handle minors and intoxicated individuals and learn the importance of creating partnerships with law enforcement and community stakeholders.

Registration is required, as space is limited.

Additional Information:

- These trainings are provided free of charge.
- Participants will receive a card which identifies successful completion.

About the Trainer:

Sandy Logan, CCPS, ICPS, CFP is a Retailer Beverage Services trainer listed on ABC as a Provider. She is currently the Prevention Coordinator for the Los Angeles County Substance Abuse Department of Public Health. She provides services in the communities of Santa Clarita Valley, Encino, Lake Balboa, Van Nuys, and Sherman Oaks. She works closely with LAPD, local city officials, and local high schools. Taking the lead among the prevention team requires vision to bring to life strategies to reduce alcohol, tobacco, and other drug problems within our communities that we serve. In order to push forward efforts in prevention, she serves as a member in the Communities in Action Coalition, which allows her to take on an environmental approach. Through her work, she also collects local data yearly to better understand the communities' needs.
